Info from HL7 Norway

Nytt fra HL7 Norge

- Workshop for basisprofilering av Appointment og AuditEvent kan ventes i løpet av våren.
- HL7 Norge har sendt tilbakemelding på “Høring om pasientens prøvesvar i Kjernejournal mv” – IPS ikke tilstrekkelig føring for standardisering knyttet til pasientens prøvesvar.
- E-helse webinar om FHIR og terminolog – etterspurt nasjonalt samarbeid på området for å se på FHIR og kodeverk/ terminologi i sammenheng
- HL7 WGM: ny internasjonal gruppe etablert for utveksling av erfaringer med nasjonal profilering
- Forslag til kurs/ seminarer kan sendes til post@hl7.no.
- Ønsker du pushvarsler om møtene i FHIR fagforum og andre nyheter fra HL7 Norge? Gå til hl7.no og meld deg på info@hl7.no
